## Congratulations Graduates By Evan Kramer

Congratulations to the 1997 graduating class of Pacific High School. Their graduation ceremony will be held this Friday evening in the gymnasium at Pacific High School starting at 8:00pm. The gym will fill up, so get there early for a good seat. Following the ceremony the graduates will participate in an all night drug and alcohol free party sponsored by Project Graduation. The party ends up at 7:00am the following morning at the Langlois Lion's Club for breakfast and distribution of presents.

Class Valedictorian Alice Sweeney was in the Fun Zone recently and I asked her the secret of her success, which includes a 3.98 grade point average, the highest in the class. She told me the "secret" was turning in her assignments. Now if I'd only followed that advice thirty years ago several of my high school teachers including a particular geometry teacher would have been a lot less aggravated. Then again there was Mr. Occhipinti, who taught ancient history. There was **no** question that the student was to turn in all assignments, talk only when you were called upon and take all tests and quizzes. Alice's advice may sound simple but

usually those are the suggestions that work. I spoke with Echo Pruitt, another member of the class of 1997, and asked her to describe her fellow classmates. She described them as a really talented group in many areas ranging from academic to creative to athletic. She added that the teachers at Pacific High School have said this is one of the best classes they have ever had. Echo is on her way to the University of Oregon in Eugene.

Many of the 35 members of the 1997 senior class will scatter far and wide after school lets out. School Superintendent Richard Wold told me eighteen of the thirty-five seniors are planning on attending college. Their choices range from the University of Oregon to Western Oregon University to Pacific College in Forest Grove. Ten of the seniors are going into the workforce, three are not graduating, two are entering the military service and have enlisted in the Marine Corps, one is traveling and one is entering a trade school.

The school year is over for the seniors this Friday. However, school lasts a few more days for the other students in the 2CJ district. The school year ends for the rest of the high school students at Pacific on Wednesday, June 4, at noon and for Driftwood and Blanco students on Thursday, June 5, at noon.

The new school year resumes the day after Labor Day, which means September 2 this year. Enjoy your summer vacation.

## Jubilee Auction

Fourth of July Jubilee committee member Marion Johnson asked me to remind everyone about the auction they are holding on Saturday, June 7, starting at 6:00pm. The committee can use more donated items for the auction. Marion has gone from business to business collecting things including a large number of gift certificates. Other items that people want to donate can be brought to the community building on Friday, June 6, between 10:00am and 5:00pm and on June 7 beginning at 10:00am. The Jubilee Committee holds this auction every year to pay for the fireworks display at Battle Rock City Park on July 4. They spend over \$3,000 on the fireworks so the more participation in the auction the better.

## Non Events Schedule

Several people have asked me if the Port Orford Chamber of Commerce is going to be sponsoring the Culpepper and Merriweather Great Combined Circus this year. The answer to that question is no. Two years ago the circus set up their tent at Driftwood Elementary on June 3.

### Senior News By Mary Yoder

May 22 was the Rotary luncheon. The volunteers who worked were Gale Lee, Jon Dacayana, Roald Young, Beth Newkirk, June Dennison did the dining room and Bill Butt, Judy Peacock Klein and E. David Klein did the dishes and clean up.

May 24 was the Center luncheon. Volunteers were Bessie Laursen, Lorraine Hass, Thelma Lagace, Jan Dacayana, June Dennison did her part – the dining room set up. Dishes were done by Dick Clothier and Bill Butts. The rummage sale was done by what's his name and Henry Kron – glad to have Henry home from his trip.

The dance was the same night. Those who came enjoyed and the crowd was small, the music special. It has been decided not to have any more dances until this fall. Summer seems to be a busy time. June Dennison, Lee Hyle and Art Klima as

usual did a super job. June 1 will be the birthday party at 2pm. June 2 there will be a pinochle party at 7pm. June 8 is the breakfast and rummage sale. On June 14 there will not be a luncheon or rummage sale because the Coos Curry Electric will be having their meeting at Pacific High School – all are invited. The Dial-A-Ride is available. It will leave the senior center every ½ hour starting at 9:30am and will return to the center at 2:30pm. The membership meeting was Tuesday the 27th of May. Nearly forgot the pot luck is Saturday, May 31 at 11:30am. Gee I hope some one brings a three-bean salad. I just love it but don't know how to make it. Gosh, May 31 that's the last day of May – next comes June.

Count your garden by the flowers,  
never by the leaves that fall.  
Count your days by golden hours,  
don't remember clouds at all.  
Count your nights by stars  
not shadows,

**Curry County Tourism Board**

The Curry County Tourism Board, a new non-profit organization, was incorporated this spring with the support of the Curry County Commissioners. The tourism board plans to work cooperatively with existing chambers and promotion committees to support the health of the Curry County tourism industry.

The organization has adopted a mission which reads: The Curry County Tourism Board will seek (1) to promote the success and sustainability of the Curry County tourism development compatible with our community and natural resources.”

The board was formed by Curry County Commissioners, based on a formula that balances the board between public and private sectors. The board includes the following representatives: Curry County government, Chetco Ranger District, Gold Beach Ranger District, Oregon State Parks, North County, Central County, South County, Ports, Established Tourism, Lodging and two “At Large” positions.

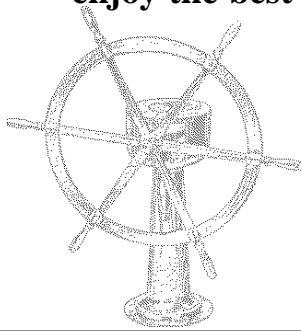

Current board members include: Peter Spratt (president), Sheree Cook (vice president), Mike Frazier (secretary), Bonnie Wood, Mike Hewitt, Laurel Fuhry, Dan Friesen, Court Boice, Lucie LaBonte, Don Higginson, Lidia Donnelly, and Diane Kelsay.

The board is in the process of establishing four primary committees, including prod-

uct development, marketing and public relations, community/resources and organization.

While the Curry County Tourism Board was formed by the Curry County Commissioners, it is, by design, an independently operating non-profit organization.

Contact any member of the board for information or to give input for board consideration.

**Letter to the Editor,**

It is with deep regret that I tender my resignation as Youth Center Coordinator for the NCFCC Port Orford Youth Center effective 30 June 1997. I have filled this position for nearly a year now and feel I have been very instrumental in the coordination and implementation of the youth center.

Some of the responsibilities I have had the privilege to be a part of have been to do fund raising campaigns for the purchase of new and used equipment, seek donations of goods and services for the Youth Center, acted as a representative of NCFCC and the Youth Center at various meetings and to speak to local and out-of-town organizations.

I have been committed to developing a program I felt would benefit the youth of our community. I have acted as a role model, mentor, friend, and coach to many of the youth I have had the privilege to work with. Although I remain fully committed to and involved with our youth, I feel it is time for me to use my skills and the knowledge I have gained from this position towards other activities which will continue to benefit our community.

My sincere appreciation for the opportunity to make an impact in the service to youth within our community and I am grateful for all the support the community has given toward the success of the Youth Center.

Respectfully submitted,

Steven P. Martin

## Coos Bay Speedway By Don Brymer

Sensational stock car practice on Coos Bay international speedway 1 mile road course again set for June 8th.

Wild West Stock Car practice saw drivers from north and south Oregon at the Coos Bay International Speedway Road Race Course during the Memorial Weekend.

The sun was bright and the track was fast said a driver and promoter for the exciting one mile road race course. The 4 cylinder stock cars were squealing their tires in the 'esses' and getting air on the right hander onto the oval as Brymer nudged Ed Burdge onto the grass while others brushed the berry bushes in the horseshoe, but all who participated in the first practice session can't wait to get to the next test day on June 8th.

Bob "Bulldog" Watson wheeled his Ford Mustang around the one mile course as Kelly McIntyre powered his Toyota Selica in some light spots with co-drivers Ben Goodwin and Sun Bennet. Texaco's Clint Willis of Reedsport lost his clutch, but got plenty of track time in Brymer's Toyota Selica. Dennis Sargent, Lakeside, even hot lapped his "Legends Car."

Family, friends and potential drivers all enjoyed the wild practice from the comfortable grandstands.

To get your racing number, call (541) 269-2474, and join the fun for the next practice session on June 8th, from noon till 5pm. All are welcome.

The first stock car road race is scheduled for June 22nd.

**Congratulations to the

### Flower and History Hike

Want to see the Kalmiopsis flower in bloom? And the rare Brewer (Weeping) spruce? If so you'll want to join the Curry County Historical Society on a hike into the edge of the Kalmiopsis Wilderness on Saturday, June 7 starting at 9am in the parking lot behind Brookings-Harbor High School.

The two rare plants will not be the only things to see. Many other plants, including the carnivorous Cobra plant, (*Darlingtonia californica*), and many others will be observed as we amble along the old "cat" road. The historic Gardner Mine and other spots will also be seen.

Fred Bowen, retired Gold Beach High School biology teacher, and Walt Schroeder, amateur historian, will lead the hike.

The trail to the Kalmiopsis and Brewer spruce site is a relatively easy one with low gradient. Those who wish will back track to their transportation. The more adventurous will take a primitive trail up over the hill to see beautiful Vulcan Lake. The trail out of Vulcan is a good one but steep in places. Bring a sack lunch and liquids to quench your thirst.

This free hike is co-sponsored by the Curry County Historical Society and Southwestern Oregon Community Col-

**Fighting Oppression**  
**by Valerie Jean Kramer**

The following quote seems particularly timely since we have just passed Memorial Day which celebrates all those who have fought for what they believed in.

*"First they went after the Communists, and I did not stand up, because I was not a Communist.*

*Then they went after the homosexuals and infirm, and I did not stand up, because I was neither.*

*Then they went after the Jews, and I did not stand up, because I was not a Jew.*

*Then they went after the Catholics, and I did not stand up, because I was Protestant.*

*Finally, they went after me, and there was no one left to stand up for me."*

--Pastor Martin Neimoller

There seems to be a new spirit of oppression growing in America and Oregon seems to be in the thick of it. I've seen at least two attempts to pass legislation discriminating against gays and lesbians. I read of skinheads using physical force against those who they hate. I see reli-

gions trying to use politics to force others to conform to their ideas of morality. Frankly, I'm scared. This is not the "melting pot" America I was brought up to love, the America that said to the world,

"Give me your tired, your poor, Your huddled masses, yearning to breathe free,

The wretched refuse of your teeming shore,

Send these, the homeless, tempest tossed, to me:

I lift my lamp beside the golden door."  
 - Emma Lazarus

Inscription on the Statue of liberty

The pre-eminent organization protecting the rights of all of us is the American Civil Liberties Union (ACLU). You can learn more about them at [www.aclu.org](http://www.aclu.org). Some of the issues they deal with include, Church and State, Criminal Justice, Cyber-Liberties, Death Penalty, Free Speech, HIV/AIDS, Immigrants' Rights, Lesbian and Gay Rights, National Security, Racial Equality, Reproductive Rights, Students' Rights, Voting Rights, Women's Rights, and Workplace Rights.

If you look at that list, you'll probably find yourself somewhere on it. Your rights are being protected too.

### Special Needs Pet Service

**By T. Reed**

Special Needs Pet Service was an inspiration stemming from the love I have for my pets. It breaks my heart whenever I come across an ad stating “due to health problems” or “needs to undergo surgery – must find good home for my cat or dog.” In some cases, the owner doesn’t want to make that painful decision in spite of his/her health condition and they not meaning to; end up neglecting their pets medical or basic care needs.

I saw this as an opportunity by giving the owner a choice. Special Needs Pet Service provides transportation to and from Veterinarian appointments. (Bandon Veterinary only) and requires only a small fee to cover gas and mileage - fee waived under certain conditions. I will also pick up and deliver cat or dog food. Please arrange to have someone there to help load and unload you pet or carry pet food into your home.

I strongly believe having your pet around during recovery or when going through tough times is good therapy. I’m living proof of that. My hope is that Special Needs Pet Service will be helpful even if you only call to ask for advice regarding your pet’s welfare.

Business hours are from 1-7pm daily. If you reach the answer machine please leave a message and your call will be returned.

---

### Bear Camp Road Delays

Beginning Tuesday, June 3, motorists will experience up to 30-minute delays on the Bear Camp Road, Forest Service Road #23 for installation of gates. The work sites are located at milepost 29.1 (0.10 mile below the junction with 2300, 700) and milepost 36.1 (1/2 mile from the junction with the Agness Road).

Work is expected to continue through Friday June 6. An alternate route to bypass the work site is the Burnt Ridge Road, #2308.

According to Diana St. Marie, Zone Engineer, “The gates will remain open, even when the road is blocked by snow. These gates will only be locked if the road again deteriorates to an unsafe condition”. Diana would also like to remind travelers to “drive safely and obey the flaggers and warning signs”.

For more information please call Jim Kelley or Jerry Wilks at (541) 247-3600.

## Letter to the Editor,

The people of Port Orford, need answers to the following questions, please respond in the press.

At a City Council meeting you removed the authority of supervision of the police clerk, from the city manager and gave it to the police chief or the person acting in his stead. Then, by what authority did our city manager write Barney Issel, and offer him the clerk's position? Worker's Compensation law says that when a person on disability is released to return to work, they must be offered the first open position for which they are qualified. It doesn't demand that you offer that em-

ployee a position that is currently filled.

In a letter to Barney Issel, former Police Chief, a salary of \$1,500 per month was offered. The 1997-98 proposed budget shows that the salary for the police clerk, is nothing, because it is paid for under a "Federal Grant" administered by another agency. So where does funding for this salary come from?

As shown in question #1 the supervisor of that position is the police chief or the person acting in his stead. Why was Barney told to report to the office manager?

Here are the three questions for you to ponder and answer. Are there things that

are being changed without the knowledge of the citizens of Port Orford?

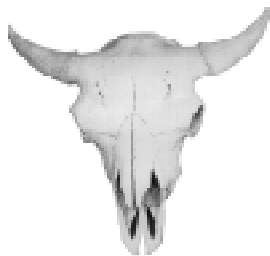

We will be looking forward to your answers in the near future in the Port Orford papers.

Walt Kaplan

## Why Stocks?

Common Stock over the last seventy years has provided roughly a 10% average annual return to investors, this beats most other investments including Bonds, Gold and Silver, Art and Real Estate. If you factor in a 4.5% rate of inflation some of these other investments may not provide positive growth. However like any investment results must be measured against risk. Stock investing has no guarantee against loss of principal, or guaranteed rate of return, and anyone that makes such a guarantee must be avoided.

## Elk River Hatchery! Free Fishing Weekend

Elk River Fish Hatchery is pleased to announce that we will host our second annual Free Fishing Weekend on June 7 and 8(Saturday and Sunday) from 8am to 5pm. We will have about 500 fat trout to catch, so mark your calendars and come to Elk River for the festivities. For Saturday, we invite children up to eight years old to join in the fun. For Sunday, we

OCEAN VIEWS and WATERFRONT  
PROPERTIES  
open 7 days a week

invite children up to 12 years old to try their luck. We will have a sign up sheet waiting for you when you arrive, and when it is your turn to fish we will announce your name. Each child will be assisted by our hatchery staff, and will be allowed to catch three nice trout to take home. We will allow only two anglers to fish at a time, so each child will get a good chance to catch their fish and have a lot of fun! You may have to wait a short time for your turn to come up, so it might be a good idea to bring something to drink. We will provide fishing tackle, bait, a cleaning station and plastic bags to carry your catch. Parents are invited to take photograph and movies, but we ask that you stand back away from the pond so the fish will stay active for the anglers. If you are one of the many children who fished with us last year, be sure to remind your parents of how much fun you had, and ask them to bring you to Elk River Hatchery again this year for the bigger trout. For

more information, please call the hatchery at 332-7025. See you on June 7 and 8.

## Congratulations Graduates Continued from Front Cover

However, circus officials never got in touch with the Chamber this year about scheduling a date in Port Orford. I haven't noticed any posters in any other towns so I assume they're not going to make their every other year spring-summer tour of the Oregon Coast this year.

Another non-event this year is the Volkswalk. Last year the Chamber of Commerce and the Port Orford Arts Council sponsored a Volkswalk in Port Orford on Memorial Day weekend. One problem has been that we never formed our own local volkswalk club. Last year's event was organized and led by the Yachats Volkswalk Club. This year there was no local club to accept the baton and take the lead.

Murleen O'Hearn told me there would not be a Port Orford Mountain Bicycle Race this year in conjunction with Port Orford's Fourth of July Jubilee Celebration. She mentioned a scheduling conflict with the organization that sponsored the bicycle race up Elk River Road, over Hensley Hill and into Port Orford.

**Now for the good news.** The Fourth of July Jubilee Celebration is on and promises to be bigger and better than ever this year. The Port Orford Arts Council is sponsoring this year's Arts Festival on August 9 & 10. They are co-sponsoring a fish fry with the Port Orford Fishermen's Association at the Port on August 10 as one of the Festival events. Then at the end of August on Labor Day weekend the Port Orford Chamber of Commerce sponsors auto racing at Cape Blanco State Airport. This event had been cancelled but has been reinstated by the Aeronautics Division and has been given the green light!

### Thank You
