## **Board Members Elected By Evan Kramer**

Coos-Curry Electric Cooperative held their annual meeting on Saturday, June 12 in Myrtle Point at the Fairgrounds. The item of most interest besides the barbecued chicken

lunch was the election for three board members and the owner-members of Coos-Curry Electric elected two new ones. Jean Shank was elected board member in Port Orford Zone 5, defeating Richard AuFranc and incumbent board member Robert McKenzie. Pete Radabaugh defeated incumbent board member Wanda Kaspar in Bandon Zone 8. David Itzen was elected unopposed to the Brookings seat. This will be his second three-year term of office.

I called the Coos Curry office on Monday morning and again on Tuesday morning trying to get the election results (the numbers) but was unsuccessful. A private citizen who didn't want his name used provided me with the results for the Port Orford position and some other figures. There were a total of 1,479 votes cast out of 13,479 ballots mailed out to the owner/members. Jean Shank received 639 votes, Robert McKenzie 463 and

Richard AuFranc 377. Eleven percent of the members voted in the board election. We don't know what the vote count was in the Bandon position, which Pete Radabaugh won by a narrow margin.

Radabaugh and Shank stated that as a result of the recent NRECA Business Audit, Coos-Curry Electric "has made a great start in identifying needs and has begun making suggested improvements to continue to bring positive changes to our Co-op. All of our resources plan to work together as a team: owner/members, employees and the Board." Both Radabaugh and Shank said they were grateful to have been elected to the Board and were looking forward to working with every team member. They thanked everyone for their support.

## **Fair Books Available**

Curry County Exhibitor Fair Books are now available at the Fair office in Gold Beach, Mory's in Brookings, and Coos-Curry Electric Co-Operative in Port Orford. The books contain all entry sheets and data required to enter exhibits for this year's fair being held July 22-25, 2004. Forms are also provided to participate in the annual parade on Saturday, or become a KURY Talent Show contest entrant that evening.

Entry day, excluding livestock, is Tuesday, July 20, from 9:00am to 9:00pm. Livestock entries are being accepted on Wednesday from 9:00am to 7:00pm.

A list of existing exhibitor numbers from 2003 will be available at each of the above locations. Please check the list and use the previously assigned number as the fair is attempting to upgrade all information to the new software program. Your exhibitor number will remain the same from year to year.

The Fair appreciates the merchant participation in allowing the books and entry data to be displayed.

Any questions relating to the Fair should be directed to the fair office (Mon-Fri, 8:30-5 pm), at 541-247-4541, or email at [curryfair@harborside.com](mailto:curryfair@harborside.com).

## **Mexican Potluck**

The Port Orford Arts Council is holding a Mexican Potluck on Wednesday, June 23, from 5:30-7:00pm at the Arts Council office. It is located at 913 Oregon Street across from Circle K. Come share a "Mexican" evening of show and tell, food and music which is open to all. For more information call the Arts Council office at 332-0487.

**Letter to the Editor,**

Imagine a country...

Whose leader...

- Assumed power in a highly irregular, if not illegal, election. He did not receive a majority of votes cast; some people were not allowed to vote or have their votes counted. (Relatives and friends of the "winner" helped ensure the outcome.)
- When he took office, surrounded himself with a group of people who have as their agenda world domination through future wars. (This country has stockpiled weapons of mass destruction.)
- Responded to a terrorist attack by lying in order to go to war against a country which had not attacked this country. (Millions of people around the world demonstrated in favor of a peaceful approach, of a more focused

search for terrorists, and of not going to war against a sovereign nation. The leader did not listen.)

- Plunged his own nation into debt – the largest federal deficit in the nation's history – in order to fight the war. (The money could be spent helping countries where people lack jobs, health care, enough food, education, etc. His own country has many people without those things, as well. This nation once led the world in aid to the world's poor. It is now dead last among the 22 industrialized nations in giving that aid.)
- Gives tax cuts to the wealthy.
- When Congress will not pass legislation he wants, gets what he wants through Executive Order.
- Has made his country the most hated nation in the world.

- As a state governor changed pollution laws to favor power and oil companies (that state is now the most polluted in the country), bankrupted the treasury as he is now bankrupting the national treasury, and allowed the most executions by any governor in the country's history, among other acts.
- Operates in secret, giving very few press conferences.
- Has the lowest IQ of any 12 presidents, evaluated, from FDR to the present.
- Viciously attacks any candidate running against him.

Imagine such a country...you live there. Remember these things (they are documented and there are many other serious things) when you vote in November.

**Fire Season Alert**  
**By Gayle Wilcox**  
 POVFD Chief

All citizens should be well prepared for our fire season. If we plan and prepare as a community; we will be more able to escape the fire season with **no** damage or loss of life.

The first step is to remember to immediately phone 911 if you see fire, think you see fire or smell unexplained smoke. We would rather respond to a false alarm than to an out of control fire that was phoned in late.

You need to make your property and home as safe from fire as possible.

1. Follow all burn permit rules and regulations. Permits are required for all burn barrels and open burns. Call 332-5383 for permit info.
2. Remove overhanging limbs – especially dead ones and ones close to flue outlets.
3. Remove all flammable material from against buildings, under foundations and in eaves. Remove leaves, moss and needles from gutters and between shingles.

4. Outdoor fireplaces and barbecues should be maintained in good working order, screened when appropriate, be clear of surrounding debris and overhanging limbs. Extreme caution should be used in disposing of brickets. Have a method of extinguishing fire close at hand.
5. Make sure you road is clear for our fire apparatus. We will be happy to inspect your road for access if you call us. (Daytime 332-0445). The current County driveway specifications require a 16-foot wide clearance and must include a vehicle turnaround if your driveway is longer than 150 feet. For additional details, please consult the County Planning Department.
6. Wood piles should be uphill and at a safe distance from your home.
7. Rake leaves and twigs away from your home.
8. Keep hoses attached to your outside hose bibs.
9. Keep grass mowed, especially when dry.

10. Remove accumulations of dead wood, limbs and shrubs from under trees.
11. Have an escape plan from your home and your property.
12. Make sure your home has smoke detectors and that they are working.
13. Be aware of fire dangers and potential dangers wherever you are. Lend a hand to a neighbor or friend if they cannot accomplish these tasks themselves.
14. Call us (Port Orford Volunteer Fire Department at 332-0445) if you have any questions or concerns.
15. Call 911 for a fire emergency.
16. You must post your address so it is clear and visible from the road. The ambulance and fire crews need a visible address on your house and/or pointing to your house. This saves valuable time in locating your residence. The City of Port Orford has an ordinance requiring your street address be visible.

With wildland fires burning and the potential for one to start in our community – **Please make your property fire safe!**

### Tincup Trail Hike

Experienced hikers are invited to join Al Collinet when he leads the Muscle Busters hiking group to a remote part of the Chetco River at Boulder Creek, Saturday, June 19. The group will meet at the Tincup Trailhead in Siskiyou National Forest, at 9:15 a.m. Those wishing to carpool can meet at 7:20 a.m. at the Gold Beach Event Center; or at 8 a.m. at The Brookings Clinic. The trail is six miles round-trip with a total elevation gain of 1,600 feet divided up into sections, Collinet reports, "so it will not seem like a lot."

About ¾ of a mile into the hike and again on the return trip, hikers will cross Mislatnah Creek. Sturdy wading shoes and walking sticks are mandatory, Collinet says. He also advises wearing pants that can be rolled up. "Long pants will be helpful in warding off mosquitoes along the trail." The group will stop for lunch

### Reception For New Psychiatrist

Curry General Hospital invites all medical providers and other professionals interested in meeting Curry County's new psychiatrist, Warren Krick, M.D., to an informal welcoming reception on his behalf, Wednesday, June 23. The reception will be held in the hospital's Curry Café at about 4:30 p.m., following the adjournment of the regular board or directors meeting. Curry Catering will provide appetizing hors d'oeuvres and beverages.

Dr. Krick recently relocated his practice from Boulder, Colo. His new office is located in the Chetco Medical Center, 585 Fifth St., in Brookings. For more information, phone the hospital at (541) 247-3187.

on the river "where the mosquitoes disappear." Hikers also should wear appropriate hiking boots, hats and sunscreen. Bring drinking water, lunch and optional wildlife guides, cameras or binoculars. Be prepared for any weather.

Those driving their own vehicles can access the Tincup Trail from Brookings by driving up North Bank Chetco River Road to FS Road 1376, to spur road 360, to spur road 365 to the trailhead. Gravel road sections are in good shape. Allow at least an hour and 15 minutes to drive to the trailhead.

Following the hike, those who are interested can drive about a mile to view the Big Craggies in the Kalmiopsis Wilderness. The Muscles Busters tentatively plan an overnight hike to the Devil's Punchbowl, July 24. Those interested in scouting the area sometime this next month should contact Collinet for details at (541) 412-8444.

## Senior News By Mary Yoder

June 13 was the breakfast – the head cook was Al Granados – volunteers working were Elaine Pendleton, Jackie Sellon, Hal Hennick, (Linda Nelson and Jill Moon moneybox), Bert Wight, Sonja Mason, John Suchy, Carol Suchy, Kay Neal and Tina Buchholz. Hope I got them all. Some did the cooking – others waiting on the tables. All went very nicely. The food was super – all enjoyed. I like the way you write what you want and that's what you get. It is really nice.

Now Saturday June 19 is the Father's Day dinner from 5:00-7:00pm. Cost is \$6.50 and all are welcome.

June 21 is pinochle at 7:00pm.

June 29 Tuesday membership meeting at 10:30am and birthday luncheon at noon. Hearing aid from 9:30am to noon.

Just a reminder – blood pressure Wednes-

days from 9:30am to noon instead of Tuesdays.

As I said before the bus is for the public not just members of the senior center – Monday, Tuesday, Wednesday, Thursday and Fridays. Just call 332-5771 and Isaac will be there for you till 1:30pm and later if you need to go to the clinic or doctor.

June 30 ambulance meeting.

There are plans to have a dinner once a month. More about it later.

There were 38 members who paid their dues for July 1, 2004 to July 1, 2005. Isn't that great.

Don't count the years  
They go so fast

Just count real friendships made they last  
Then count the memories of the past  
Don't count the years just think of  
Days that you have tried your best always  
That's how a youthful spirit stays.

## Computer Classes at the Library By Tobe Porter

It's summertime and the computer traffic at the Port Orford Public Library is heavy. So many people are interested in learning more about how to use that confounded machine that we decided to offer some basic computer classes. If the interest is there, we will continue the classes, adding a couple new topics in the fall.

Tuesday, July 13 - Introduction to the Internet

Tuesday, July 20 - How to set up a free e-mail account

Tuesday, July 27 - How to use the library's computerized card catalog.

All classes are from 9:00-10:00am. In order to offer hands-on learning, space is limited to five people per class, so call the Library at 332-5622 to reserve a computer.

### Are You The Problem? By Valerie Jean Kramer

According to CircleID ([www.circleid.com/article/602\\_0\\_1\\_0\\_C/](http://www.circleid.com/article/602_0_1_0_C/)) about 80% of spam now originates from home computers just like yours. In fact, one of these much-detested computers might very well BE yours!

Spammers are feeling the heat and finding new ways to avoid it. Several spammers have recently been sued and at least one has been sentenced to jail. One way for spammers to avoid capture is to take over other people’s computers, and send their spam from these “zombies” rather than send it directly from their own computer. This muddles the trail and makes the spammer harder to locate and prosecute. It also allows the spammer to send more messages more quickly. Just what we need. NOT! The exact number of machines that have been taken over (for all purposes) is unknown but very large. The whitehouse.gov web site had to change their IP address recently because at least 250,000 computers were believed to be infected with a worm that was set to attack their old one.

It is not difficult to take control of an unprotected computer and all computers are unprotected unless the owner takes significant steps to protect it. (1. Apply all critical Windows Updates. 2. Install Anti-Virus software. 3. Install firewall software. 4. Keep all of this software up-to-date. 5. Keep yourself up to date so you understand the current threats!) As I reported recently, a machine can be subverted in no more than 15 minutes and an unprotected computer on the Internet lasts only about 3 hours on average. (Note: that is 3 hours total connect time, not one three-hour stretch!) [http://www.cert.org/tech\\_tips/home\\_networks.html#I-B](http://www.cert.org/tech_tips/home_networks.html#I-B) is a good starter list of questions and answers about security.

You should be aware of your computer’s online activity. You can monitor that easily by observing the little icon of two computer screens in the lower right hand corner of your monitor. Normally the screens of these two computers appear dim. When your computer is sending data, one of them will “light up”. When receiving data, the other lights up. You will see a little activity from time to time

even when you aren’t causing it. Normally that is ok. If you see a significant amount of activity that you cannot account for, then your computer may be under attack or may already be taken over. It’s time to do some serious checking!

Note: This icon is displayed automatically when you connect to the Internet with a modem. If your connection is NOT through a modem, then you need to enable the icon. To do so, go to Control Panel / Network Connections and right-click on your network then choose “Properties”. Near the bottom you should see a check box that says something like “Show icon...”. Make sure the box has a check mark in it. You should then have the icon showing at all times.

## Attention City Water Users

The City of Port Orford is required to distribute a Consumer Confidence Report to the City's water users. The report was sent out to the water users in April. In the report a required table was left out by mistake. The table shows what contaminants are tested for in your water system and the levels detected for the 2003 year.

Contaminant	Violation	Level Detected	Unit of Measure	MCLG	MCL	Likely Source of Contamination
1. Lead	No	0.006	ppb	0	0.015	Corrosion of household plumbing systems, Erosion of natural deposits
2. Copper	No	0.4	ppm	1.3	AL=1.3	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood products

MCL ..... (Maximum Contaminant Level) The highest level of a contaminant that is allowed in drinking water.

MCLG ... (Maximum Contaminant Level Goal) The level of a contaminant in drinking water below which there is no known or expected risk to health.

AL ..... (Action Level) The concentration of a contaminant, which, if exceeded, triggers treatment or other requirements, which a water system must follow.

ppm ..... (parts per million)

ppb ..... ( parts per billion)

In May of 2003 the City of Port Orford received a violation for not reporting enough routine Coliform tests. This violation was caused by the testing laboratory performing the wrong type of test for Fecal Coliform on a routine sample submitted for testing resulting in the State Drinking Water Program not accepting the test results. The results from the sample submitted were negative and at no time was the Public Health compromised. This matter was resolved with the State finally accepting the test results that were performed.

### Langlois Library News

In celebration of our creepy, crawly insect friends, Mrs. & Mr. Elma and Weld Champneys together with Mr. Dan Ells will be reading a few buggy tales at Buglicious Snuggle Tales on Thursday, June 17, at 6.30pm. These stories of our squishy, buzzing little friends are guaranteed to entertain you, and the bugs in your life, too! Don't forget your PJs!

Also for all you children and children at heart out there, stay tuned for the next installment in the film festival, My Neighbor Totoro by the acclaimed Japanese director Hayao Miyazaki. This is the whimsical tale of two young girls who discover a world of forest spirits in their new home. This film will touch the hearts of children and adults alike. Come join us on Saturday, June 26, at 4.30pm.

Join amateur astronomer extraordinaire Dan Neal of Hardin Optical for a bout of summer stargazing on Friday, June 25, at 8.30pm. Dan will help us all enjoy the natural wonders of the night sky, and maybe tell us a thing or two about this universe of ours as well! Please feel free to bring your own lawn chairs and telescopes.

Last but not least, the Langlois Public Library Foundation is seeking vendors, entertainers, and entrepreneurs of all kinds for a peddler's fair to be held on September 4th. Anything is fair game, whether you want to sell rummage, crafts, or produce, perhaps provide a service such as massage or fortunetelling, or even have an information booth. Tables are \$10 apiece. Please call the Library at 348-2066 to reserve tables or for information on any of the above-mentioned programs.

### Arts Council Events

In last week's paper we wrote about the Port Orford Arts Council July 4 Jubilee schedule and printed a few errors. The free dance featuring the Pete Lenihan Trio on July 3 at the Port Orford Community Building will be from 8:00pm to 11:00pm, not from 8:00am to 11:00pm.

Other Arts Council sponsored events include the Craft Emporium on Friday and Saturday, July 2 and 3 at the Community Building. Friday it runs from noon to 8:00pm and on Saturday from 9:00am to 4:00pm.

The Port Orford art galleries walk is on Friday evening, July 2 from 6:00 to 9:00pm.

And don't forget on Sunday, July 4, it's picture taking day for the "Day in the Life" Labor Day event.

## **RESERVE YOUR TABLE NOW**

for rummage, food, arts and crafts, or services. \$10 each. HUGE Langlois Library peddler's event on Saturday, Sept. 4, 2004, 9am-6pm, as part of "Support Your Local Libraries" weekend. For info call: 541/348-2066.

### **Red Hat News by Jeri Thurkow**

To be an important part of Port Orford's 4th of July Jubilee Celebration this year the Red Hat ladies have decided to put together a float, honoring ladies who have served in the various branches of the military. If you're such a lady, please contact the "Queen Mum" Micki Snider at 332-9625 and let her know that you'd like to join us. The theme of this year's celebration is honoring veterans and we ladies in red hats wanted to show our pride in honoring our gals.

Speaking of that float and the 4th of July parade, please, if you're interested, call Micki and let her know you're able to assist in putting this together. It's going to be a wild and crazy show, and we MUST be a part of it all!

Join us, please, for another of our Coffee Klatch gatherings at Casa Java (inside Paula's Bistro) on Thursday morning, June 17 from 9-11 a.m. Goodies and good conversation about up-coming events will abound. See 'ya there!

We've been invited to go south! The Red Hat ladies of Gold Beach are going to be

### **Letter to the Editor**

There is just something about those "Librarians" that make me what to shout. . . a great big thank you. Many thanks to the members of the ever-popular singing trio "The Librarians" for hosting the upcoming library fundraising concert. Special thanks go to Julie Hawthorne and Kass McLaughlin for orchestrating the event, and to the Port Orford Arts Council for being such a generous sponsor.

I am eagerly awaiting 7:30pm on Saturday, July 17 when I can go to the Community Building and for just \$10.00 hear the dulcet voices of the Shhhhhhh Queens, the fine tunes of the Music

Knights, the toe tapping music of the Langlois Mountain Scottish Fiddlers and the sweet sound of our own Michael Disbrow. Thank you one and all.

Sincerely,

### **Meet Hochberg in Langlois**

Charles Hochberg, Democratic candidate for Oregon Legislature for our District (1) will be at the Langlois Market next Saturday, June 19, at noon to listen to the issues and concerns confronting Northern Curry County and discuss practical solutions so he can represent you in the State legislature. This is not a "speech" or political "rally". Charlie believes that he should listen to the people who live in his District, advise them of the positions he has on issues he is knowledgeable about, hear our responses, and take our voice to the Salem. Stop by to meet the candidate and give him your perspective in an informal, personal setting.

For information, call Gail Rathbun at 348-9910 or Flo Lichtig at 332-6060 weekdays or 348-2208 other times.

### New Place and Time

The Curry Disability Services Advisory Council (DSAC) is meeting in a new place and at a new time this month. They will meet on Tuesday, June 22, from 1:30-4:00pm at the Curry County Courthouse Annex (Blue Room) in Gold Beach. The focus of the meeting will be Curry County Courthouse/annex accessibility. The Curry County Commissioners, Representative Wayne Krieger, and a representative from the Oregon Disabilities Commission have been invited to the meeting. For those interested, there will be a guided tour of the Curry County Courthouse Annex. The Blue Room is located in the lower level of the annex and can be accessed through the north entrance.

For more information or if you have any questions, please call Marilyn Green or Marilee Stewart at voice/TTY 247-4515 or 1-800-257-1385. Reimbursement for transportation to the DSAC meeting is available upon request.

### Spaghetti Feed June 25

Curry General Hospital employee volunteers will host a "spaghetti feed" to raise money for the Relay for Life, Friday, June 25. The supper is set from 6 to 7:30 p.m., in the hospital's Curry Café. It will include a heaping plate of spaghetti, salad, fresh French bread and a beverage. The cost is \$5 a plate. Proceeds will go toward the annual Curry County relay to battle cancer, scheduled in July, at the Brookings-Harbor High School sports field.

Also to raise funds for Relay for Life, hospital staff will host a raffle, and the hospital receptionists will sell paper "feet" for \$1 a piece. The feet are displayed in the halls.

For more information about Relay for Life activities, or to sign up as a team member, phone team captain Rebecca Moore, (541) 247-3120.

### Meet the Candidate

Dr. Charlie Hochberg, the Democratic candidate for state representative, will be coming to Port Orford on Friday, June 25 to meet with citizens at a neighborly event at the TransAction Gallery.

After years as a physician, Dr. Hochberg, who prefers to go by "Charlie," now wants to put his medical experience to work in Salem rebuilding Oregon's failing health care system. He is also determined to work for better education and jobs for the people of District 1.

Dr. Hochberg lives in Pistol River with his wife Virginia, who heads up Curry General Hospital in Gold Beach. They have five grown children and four grandchildren.

Charlie looks forward to meeting people from Port Orford, hearing about their concerns and sharing his ideas. Please join him at the TransAction Gallery, overlooking the port, on June 25, from 5-7 pm. Light refreshments will be served.

### Chamber of Commerce News

Port manager Gary Anderson will be the featured speaker at the Port Orford Chamber of Commerce membership luncheon on Thursday, June 24, 2004 at 1:00 p.m. at the Wheelhouse Restaurant. Members, guests and all interested citizens are welcome to attend.

The Chamber will host a Fireworks Stand in Battle Rock Park starting on Saturday, June 26, 2004 through July 4, 2004. The chamber is actively recruiting volunteers to help sell the fireworks. We hope to be able to cover about 7 or 8 hours a day in

2 or 3 hour shifts. Chamber members and interested citizens please call 332-3106 to volunteer.

Pick up your Jubilee pin available at most retail outlets around town and help celebrate Independence day, Port Orford style. Jubilee celebration schedules are available at the Downtown Fun Zone, Ray's and other locations. You can also see the schedule and download it by going to the Chamber website at <http://PortOrfordChamber.com> and clicking on the links near the top of the home page.

## Curry County Cruisers

The Agness-Illaha Museum (non-profit organization) is sponsoring a sourdough, chili, and pie contest to be held on Saturday, June 19 at the Old Agness Store grounds. There is also a coloring contest for children ten years and younger plus a men and women's doubles horseshoe contest.

The Curry County Cruisers, an antique car club will display their cars and you get to vote for the car you like for the "Best of Show." John Chamberlin, from Bandon, is a one-man bluegrass artist who will entertain for two and a half hours.

For a \$3.00 fee you get a bowl of chili and a piece of sourdough bread and then vote for your favorite chili and sourdough. A panel of judges will select the top three pies. Later, you may purchase a slice of pie for \$1.00.

Participants will pay a \$5.00 entry fee. First prize will be \$50.00, an engraved trophy and a picture for the Agness-Illaha News column for the Curry County Reporter.

Prizes will be given to children in the coloring contest and cash and engraved trophies will go to the top men and women in the horseshoe competition.

Come and have fun at this big South Coast event. There will be something for everybody. If you have any questions, call Linda Graves at (541) 247-7960.
