What's Next For Theater 101 By Evan Kramer

Now that Theater 101 has had a very successful opening of their playhouse at the Seaside Plaza Building with the two week run of the play "Sylvia" I wondered what was next for them.

There are seven members of the Theater 101 acting company and they also serve on the board of directors. They are Peri Rask, Dianne Campbell-Antonio, Rick Antonio, Stacie Romele. Susie Eckhardt, Ken Stevens and Tere Tronson. Rask spoke for the group on Saturday and expressed her delight with the community acceptance of the play. Theater 101 sold 307 tickets for the six performances in their 75 seat theater and this included two sell-out performances on the Friday and Saturday night of the last weekend of the show. Rask was happy that they could make so many people laugh and have a good time. Her goal had been selling 300 tickets so she exceeded that one.

Next up for Theater 101 is a Christmas show on December 21, 22 and 23. It will include a variety of entertainments from music to storytelling. If you would like to audition for the Christmas show please call 332-PLAY to get started.

The Theater 101 acting company plans on putting on at least three plays next year in February, May-June and September. The board/company will be meeting soon to set the exact schedule and plays.

Rask said they would eventually do a musical at the Theater 101 playhouse. For the musical they need a male piano player as they are interested in putting on "Pump Boys and Dinette."

Rask is writing some grants now to get money for better outside signage for the theater and a good CD player with an easy to view readout.

Theater 101 members welcome suggestions from the public. They want to do quality shows and performances for the town and visitors. They need some young people in their 20's and 30's to get involved in Youth Theater and they also want to do Senior Theater. Rask emphasized more than once they encourage community participation but the acting troupe is a company which will play most of the parts in the plays. There will be some auditions for actors outside the company and over time additions and subtractions from the core group.

You can become a financial supporter of Theater 101 and become a member. There are several levels of support from

producer at \$500 per year to scene stealer at \$100-\$199 per year and thespian at \$35 for an individual membership. Each level of support offers various incentives from season tickets to Theater 101 T-shirts.

Use it or Lose It

Port Orford Senior Center president Owen Miller needs your attention and help. He has issued a brief press release stating that the Dial-A-Ride program operating out of the Senior Center will be discontinued on November 30 "unless participation dramatically increases."

Reasons stated for discontinuing this vital service are the high fuel prices which have gone up over 30 cents in the last two weeks and the cost of insurance. The other main problem is lack of ridership.

It costs \$3.00 to use the Dial-A-Ride service and is very simple. The Dial-A-Ride bus operates on Monday, Wednesday and Friday out of the Senior Center from 9:30am-1:30pm. The drivers are all volunteers. To get the bus all you do is call 332-5771 during the hours just listed and they will come get you. They will pick you up at your house and take you around town to the bank, post office, medical clinic, market, etc. for \$3

which won't even buy one gallon of gas. Owen Miller is asking the public to support this service or the community will lose it. Since we don't have a taxi cab service in Port Orford like many communities up and down the coast the only alternative will be walking or finding a friend to drive you around town. This service is available to everyone in the community and if it doesn't get more use it will be stopped.

Axe-Sass'ns Take Opener By Evan Kramer

The Coos County Roller Girls held their first bout in the first season of roller derby action on their home turf. The Coos Bay Roller Derby league consists of two teams – The Rockin' Roulettes and the Axe-Sass'ns. They played last Saturday night at the National Guard Armory in Coos Bay (renamed The Armory of Darkness in honor of Halloween.) The Axe-Sass'ns took an early lead in the game and went on to beat the Rockin' Roulettes by a score of 77-55.

Axe-Sass'ns jammer Katarina Van Roten was the lead scorer in the game and kept her team ahead all night. Rockin' Roulettes jammers Shredder Bakskinov and Sista Hex put quite a few points on the board for their team.

League founders Dolly Demented and the French Wench were happy with the sold out crowd at the Armory but are looking for a bigger place to play. The Armory sat less than 200 people and many people could not get in because of the sellout.

The next event for the Coos County Roller Girls is when they travel to Rohnert Park for a bout with the Sonoma County Derby Divas on December 15.

There are four roller derby leagues in Oregon including Portland, Eugene, Bend and now Coos Bay.

The Coos County Roller Girls are looking for more than a bigger venue to skate in. They are looking for more roller girls. Team members must be 18 years or older and you must have a valid ID. Required equipment includes quad roller skates, protective gear including

a helmet, kneepads, elbow pads, wrist guards and a mouth guard. Beginners practice is held on Tuesdays at 6:00pm and on Sunday at 2:00pm at Sunset Middle School in Empire.

To contact either Dolly Demented or the French Wench about joining the Coos County Roller Girls e-mail them at cooscountyrollergirls@yahoo.com.

This isn't the 1960's roller derby. The new women's roller derby that is sweeping the country got its start in Austin, Texas in 2001. All the skaters have interesting and colorful names (often plays on words) and numbers. The roller derby games are not scripted and the action is fast, hard hitting and not for the faint of heart. Most of the teams play on flat tracks rather than the banked tracks that were popular in the 50's and 60's. This is a full contact sport played to loud rock and roller music and is a lot of fun for the players and the people watching.

Parks Commission Meeting

The City of Port Orford Parks Commission meets Tuesday, Nov. 6, 7:00pm, in the city hall council chambers.

Ruby Anne Johnston Rowe
5/18/34 – 10/26/07

My dear friend Anne (as she preferred to be called) passed from this life with her family by her bedside in the early evening of October 26 in Boise, Idaho. Her passing ended a difficult seven year struggle with Alzheimers complicated by a weakened heart and respiratory system as well as diabetes.

Anne was born in the Portland area. She was raised by her paternal Grandmother whom she adored. Anne was married to John Rowe and they had two children. She became a widow not long after the birth of her second child.

Anne worked to raise her children and eventually moved to the south Oregon coast as she was employed by the plywood company out on the Elk River. She helped raise her two granddaughters as they progressed through school at Pacific High School. She worked and lived in Port Orford for over twenty years.

Anne and I became friends in 2000 when we met while walking our dogs. We became very close.

FRIDAY 7 pm

SATURDAY-SUNDAY..... 4 & 7 pm

MONDAY-THURSDAY 7 pm

It was my honor and privilege to help Anne as she began to recognize the signs of increased memory loss. Out of necessity her family had moved out of state and was unable to attend her increasing medical needs. Together she and I traversed the path which led to her new home at Shore Pines. We made many friends during her stay there and she came to love her new environment.

When Anne needed acute care it was my chance to have her with me for awhile and with her family's kind permission she came to live with me for six months before her family took her home to Idaho to be with them during her final challenge.

It was wonderful to have such a kind, sweet, loving friend. I am a better person for having known Anne. I think of her often as I walk my dog down the streets we walked so many times. I can still hear her laughing at one of the many stories we shared on our walks. We were determined to make the best of the time we shared. It was never a question of quantity of life but of quality. Anne, my dearest friend I am relieved your painful struggle is over. I am happy for your well deserved peace and rest. I promise to practice what you taught me. Good night sweet friend.

Police Report
by Chief Creighton
Creighton@popd.org
Tip Line: 253-6271

10-20 Police were contacted by a citizen who was not able to get into a residence on Ninth Street to check on an elderly male. Sergeant Halse responded to the residence and determined the male subject was having problems breathing. Ambulance responded and because all the doors were locked and the male subject could not open them Sergeant Halse broke a window and entered the residence. The male was transported by Ambulance to the hospital.

Thanks to people who are watching others in this community. When something does not look right it is better to immediately contact us so it can be checked out. Like this case, a life can be saved if action is taken immediately. Remember to contact us using Curry County Dispatch at 800-543-8471 or 911 (in an emergency) because they always know how to find us either on or off duty.

10-22 Police posted two vehicles for tow that were parked on city property on Jackson Street. Both vehicles were

removed the following day by the owners.

Note: Two reasons a vehicle can be towed from public property are 1) when they area disabled and considered abandoned and 2) no current registration.

10-26 Police stopped a vehicle at Ray's food place for a minor traffic violation. It was determined the driver had a suspended license in Washington and appeared to be under the influence of alcohol. The driver was given field sobriety tests and arrested for DUII Deborah Williams was transported to the Curry County Jail and charged with DUII.

10-27 A wallet was turned in to the Police Department. If anyone is missing one please contact our agency and identify it. No there is no money in it!

We have a potential public safety problem in our community with both speed and pedestrian safety. We have determined there are four areas of pedestrian concern. There are no visible crosswalks at 15th Street which is where the library is being built next to Ray's food place, and 18th, 19th, and 20th Streets. I started a "Where are our crosswalks" campaign and have contacted Oregon Department of Transportation to get crosswalks installed at those locations before we have a serious pedestrian Vs vehicle accident. Thanks to our city workers there are other areas in town where signage has been placed or moved to make them more visible like on Arizona Street. This proactive effort has significantly re-

Police Report Continued from Prior Page

duced speeds and speeding complaints in those areas.

Speeder of the week: Police stopped a vehicle traveling 45 mph in a posited 30 mph zone. The upset driver immediately told police "I was issued a traffic ticket the last time I came through this town". Apparently not having learned the first time, the driver was issued another traffic citation for speeding.

REMEMBER: Many children will be out on Halloween night walking on our streets after dark. Use extreme caution

and help our community make this Halloween safe and fun.

Chiefs Note: Motor Vehicle Crashes are the number one cause of death among teen drivers in the United States. In 2005 nearly 7,500 15 to 20 year old drivers were involved in fatal crashes so clearly more work needs to be done in this area to outreach our youth and do our part to prevent and reduce the number of teen crashes that result in death and disabilities. October 15-19 was National Teen Driver Safety Week and our community has had serious accidents involving teens on Halloween. To be proactive I teamed up with Fire Chief Gayle Wilcox

and Superintendent Ruby Price to have a short meeting with youth at Pacific High School on Halloween day. Port Orford Rural Fire Department, Port Orford Ambulance, Police, Juvenile and the Sheriff's Office will have people there to talk briefly with our Youth about driver safety, and to allow them to participate and talk one-on-one with the first responders who respond to those accidents prior to and during their lunch break.

Letter to the Editor,

A weekend ago, the Port Orford Community Ambulance responded to a particularly difficult incident that was called in by Port Orford Police Officer Scott Halse. Due to Officer Halse's quick assessment for the need of EMT's (Emergency Medical Technicians), willingness to remain on the scene and provide assistance; a life was saved. Thank you Scott. We are all lucky to have such dedicated Emergency Services personnel.

Sincerely,

Gayle Wilcox, EMT

5 for 4 Fundraiser

4 Schools, 5 Weeks, \$5.00 Donation (for each school)

This week officially kicks off our 5 for 4 School Fundraiser. It's a simple concept aimed at our community raising money for our schools.

Everyone knows our district needs money. This fundraiser offers each school the ability to put the funds wherever their specific need entails. Technology, books, and playground equipment are some of the areas that could use a financial boost. These are basic needs and we as a community can help!

4 schools: Pacific High, Driftwood & Blanco Elementary, and Wilderland Montessori. We will feature each school's specific needs in subsequent articles, noting how each school intends to apply their funds.

\$5.00 per school: A donation of \$5.00 per school, or a \$25.00 total donation. (Putting it in perspective- \$5.00 is 2 coffee drinks or 2 video rentals.) Accounts for donations are set up CFCU and Sterling Bank.

\$5000 Total Goal (per school): In 5 weeks, we will divide up the total contributions between the schools. Principal of Blanco, Mick Lane remarks, "We would be honored with any amount, and you can be assured the money will go directly to the education of our students."

5 Weeks: We will begin on Thursday, November 1. The window is short - only 5 weeks, ending on December 7. Every week, we will keep you updated as to how much has been raised so far. Please don't put it off - hurry down to CFCU or Sterling Saving's Bank and donate today!

Port Orford Library News

The Library Foundation received a grant for \$6,570 from Trust Management Services. This agency funds non-profit organizations throughout Oregon, with emphasis on the areas of education, community service, cultural, youth activities and historical preservation.

The funds will be used for shelving in the kids' section of the new library—special shelving that will hold the picture books, or, as we say in the trade, "The Everybody Books." Grant writing efforts will continue as we try to raise the monies for the essential earthquake-proof shelving. It is expensive stuff, over \$100,000, and it's not like we can do without it.

To prepare for this next round of grants, we did a review of our grant writing efforts to date. For new construction funds, we submitted 30 grant applications; 18 were granted and 22 were denied. For the shelving and landscaping funds, we have two applications under review, and plans to send out eight more.

If you have any fund raising ideas (or extra funds) let us know; help us make that library bond disappear.

Letter to the Editor,

In my son's room, there is a plaque with the "teen creed" on it. Here it is...

Teen Creed

Don't let your parents down, they brought you up.

Be humble enough to obey: you may give orders some day.

Choose companions with care, you become what you are.

Choose only a date who would make a good mate.

Be master of your own habits, or they will master you.

Don't be a show off.

When you drive, drive with safety and arrive.

Don't let the crowd pressure you; stand for something or you'll fall for anything.

Kids – share the message.

Rotary Club News By Anita Thomas

“The Rotary Club of Port Orford is the largest per capita contributor to The Rotary Foundation in the District,” announced Rotary Foundation Chairperson Ronn Kerr at the Thursday, October 25th meeting of the local club, “and eight of our members have arrived at the cumulative contribution level of \$1,000 necessary to become Paul Harris Fellows during the first four months of this Rotary year.”

Four new Paul Harris Fellows were inducted at the Thursday meeting – Chet Dacayana, Mike Hewitt, Millie North, and David Smith. Bill Oleson and Club President Bill Hawkins were also honored for arriving at post Paul Harris contribution levels of \$2,000 and \$4,000. The Port Orford club has contributed \$9,283 – an average of \$232 per member – to the Rotary Foundation so far this Rotary year.

In addition, Kerr presented a recognition award to past president Dick Wold and past Rotary Foundation chairperson Chet Dacayana for exceeding \$200 per member in contributions last year, mak-

ing the Port Orford club one of the highest per capita contributors in the Rotary District which includes all of Southern Oregon and a bit of Northern California.

The Rotary Foundation is the world humanitarian arm of Rotary International which uses 100% of all contributions

from Rotarians and friends of Rotary around the world for the elimination of poverty, environmental conservation, food security, health care, education and conflict resolution aimed at the ultimate goal of bringing about world peace and understanding.

In his presentation, Kerr said that, “Rotarians look out to find folks who are a hurtin’ in the world and, through the humanitarian programs of The Rotary Foundation, they decisively and compassionately go about bringing healing to those who hurt.”

POAC Annual Meeting By Carol Berger

The Port Orford Arts Council's annual election meeting will be held on Friday, November 2 at the Port Orford Arts Council Office at 6 pm. For those of you who have not been to our new office yet, it is located inside Seaside Plaza facing out onto Highway 101. The physical address is 1320 Oregon Street, Suite C.

There will be a Cajun potluck, so please bring some food to share. We will be voting on board members for next year. We would like to have as many POAC members there as possible, so please try to attend if it is at all feasible. In addition to voting, we hope to discuss plans for next year, and we would really like your input and participation.

New Police Reserve Officer

Tyson Breuer was recently sworn in as a new Port Orford Police Reserve. Breuer has lived in Port Orford for Six Years and is the owner of Advantech Construction LLC. Breuer moved to Port Orford from Colorado in 2001 with his wife and children to again work with his father Rudi Breuer. Tyson has been in construction for twenty-seven years

Heritage Society Meeting

The Point Orford Heritage Society will hold their annual membership meeting on Sunday afternoon, November 4th, at 2 o'clock in the Lifeboat Station Museum. All members and interested parties are invited to attend. Don McMichael of North Bend, and Wayne Gage of Mapleton, Oregon, will present a program on the capabilities of the lifeboat #36498 that we proudly display on the museum

grounds at Heads State Park. Was the boat self-righting and was it really unsinkable? Don and Wayne who served at the Port Orford Lifeboat Station and took the boat out of Nellie's cove for the last time know the facts and they will entertain you with their stories of life in the service of the United States Coast Guard. There will be a brief business meeting and officers and new directors who will take office January 1, 2008, will be elected. Light refreshments will be served. Come and see what has been happening at the museum this year!

Homemade Jam

"Homemade Jam," will appear at the Biscuit Showroom at Gold Beach Books Saturday night, November 3, at 7:30pm. The father/daughter singers and musicians, Chris Vorster and Willow Owings, play both classic and new folk rock tunes, along with many original compositions, including "Stormy Night in Oregon."

According to bookstore owner Ted Watkins, "Chris and Willow gear their heartfelt performances for all ages; they have long been our most popular regular performers with their genuinely upbeat concerts."

The duo will also be signing copies of their latest CD during intermission. The concert is free and open to all ages. The bookstore is located Highway 101 and First Street in Gold Beach.

Letter to the Editor,

Confused about Measure 49? Here are a few simple things to consider:

- Asphalt or apples?
- Gravel pits or grapevines?
- Stripmalls or strawberry fields?
- Parking lots or pumpkins?
- Oregon: Pave it or save it?

Thanks to Dave Adams for putting all this prospective. Needless to say, Vote Yes on Measure 49. Worm regards,

Paula Cracas

Senior Center News

The Bargain Basement at the Senior Center will be open Saturday, November 3, from 9:00am to 1:00pm, featuring Christmas merchandise at prices to move it. Also, clothing items at \$2 per grocery bag. Check us out!

Don't forget - Game Day is every Monday at 1:30pm. We've got cards, Scrabble, pool, chess, etc. Come join us.

Out outing to Honeybear Campground was fun and well attended with 29 people partaking of salmon or Wiener schnitzel.

Native American Art Exhibit By Carol Berger

In honor of November's designation as Native American Awareness Month, the

Port Orford Arts Council will have a display of Native American art on Saturday Nov. 3 and Sunday Nov. 4 at the POAC office located in Seaside Plaza at 1320 Hwy 101, Suite C. The exhibit is free and will feature Native American artworks belonging to community members. Hours for the exhibit are noon to 4pm both days. For more information, please call POAC at 541-332-0487.

Toy Project

The Langlois Public Library has an ongoing Toy Project that we would like to brag about. Check out our great selection of toys and games for preschool through elementary-age children. The toys and games can be checked out for 3 weeks and include memory, problem-solving, numbers, letters, rhyming, reading, and math.
