Driftwood School Opens By Evan Kramer

Driftwood School opened six days later than anticipated but it did open and students were welcomed back on Monday, September 14. It was a wonderful site driving south on Highway 101 in the morning and seeing the school open, school buses and parents dropping off students and people walking into the building. The Port Orford Police Department was conspicuously parked at the corner of Twelfth and Highway 101 as promised and monitoring traffic. The school zone is very well marked and with the yellow lights flashing it should be obvious when school is in session. The speed limit is 20 miles per hour when the lights are flashing but there are always a few people not paying attention.

The following part of this article was written by School Superintendent Mick Lane and was sent to what are known as the key communicators – members of the community the school district uses to get the word out on district business. In it Superintendent Lane describes the situation at Driftwood School and what happened to delay its opening. This of course is a very special year for the

school district as they consolidate from three schools to two with the closure of Blanco School in Langlois and the transfer of those students to Driftwood making it by far the bigger of the two schools in the district as far as the number of students.

“Sometime last Thursday night or early Friday morning a fitting failed on a main water line in the ceiling above the new computer lab and special needs rooms. The City of Port Orford calculates that approximately 40,000 gallons of water was pumped into the school before the custodian arrived at 6:00 a.m. The water was immediately shut down, and the entire maintenance staff came together with mops, brooms, rags and squeegees. They had the building 90% clear of water by 9:00, cutting losses considerably.

I am hoping you can help dispel the inevitable rumors that spring from an event like the water damage at Driftwood. At this time Belfor Property Restoration has dryers operating 24 hours a day throughout the building, and environmental experts are making sure that mold and any contaminants are not an issue. Anytime a building is flooded, these precautions must be taken even in residences. This is normal procedure,

and schools are held to the highest standard in the industry. When the restoration is complete, Driftwood will be absolutely the safest building in the community. Please spread the word that when these teams declare the school safe for children, there is no doubt.

School will resume on Monday, the 14th. The staff has been outstanding in their flexibility and creative input to assure there are no more lost days.

As the clean-up crews finish drying the rooms, sheet rocking, painting and replacing floor tiles the classes will temporarily “camp out” in different locations. Ms. Sheeran is the lucky one and gets to stay in her room. Ms. Foster will move into Mr. Jarvis classroom, and he and Mr. Eidemiller will hold class in the cafeteria. Mrs. Mitchell will move to the library. Mrs. Heckard and Mrs. Weinblatt will be teaching in the new gym. The middle school classes will not have to move.

This may be the situation for up to two weeks, but the crews are doing everything possible to get us back home sooner.

What a summer at Driftwood! Thanks so much for your help in calming the fears.”

Greetings North County
By Catherine Powers

Curry County Animal Shelter Supervisor

The Curry County Animal Shelter and Pennies for Pooches would like to invite you to join us in a food and fun filled afternoon at the Riverview Restaurant over looking the beautiful Rogue River for an all you can eat Pizza and salad fund raiser. All the proceeds go to our spay and neuter program. It has been a little over a year ago that Pennies for Pooches was formed and the hand full of volunteers wanted a cleaner, happier and better place to "house our hounds." We have come such a long way in that short year and could not have done it without the communities help. We have paid to date almost \$23,000 in veterinary bills. We have tried to spay and neuter every pit bull we can find, shelter dog or not. In Florence, Oregon if you own a Pit Bull their shelter will pay to have it altered. We would love to have the ability to do that too. That's why we are doing the pizza fund raiser, funds are low and we need to replenish. Please join us for a really great cause. All the

fun will happen October 3rd, Riverview Restaurant 541 247-7321 from 4-8pm. Call the shelter for more details. 541-247-2514.

Thank you for the space in the paper and to the people of Port Orford, thank you for your constant support. I have told the Sheriffs department more than once the little town of Port Orford doesn't see me much as South County but the support the shelter gets from your small community is fabulous.

Hope to see you at the Riverview on the 3rd.

Senior Center News

The sun shone down on us Saturday, September 12, for our second annual Senior Center picnic at the Humbug Mountain State Park Day Use Area. Besides members from our local center, a sizable group from the Gold Beach Senior Center came to join us. The Park Service loaned us their great barbecue so we could cook 'what we brung'. Besides the hot dogs, steaks, and chicken that were consumed, lots of delicious

potluck dishes were shared by all. If you weren't there, you missed a fun day.

Our September 29 member meeting at 11:00am will feature a guest speaker from the Curry County Home Health and Hospice. A brief meeting, lunch and dime bingo will follow, as usual. Please join us.

The Center purchased and installed a dishwasher that was sorely needed for our much-used kitchen facility. A big thanks to all of the members who transported and installed it for us. Donations are still being taken to cover the cost of the dishwasher.

The Bargain Basement at the Center is in need of kitchen items such as silverware, bowls, skillets, pans, etc. Donations can be brought to the Center Monday through Friday from 9:30am to 1:30pm.

Curry Democrats Meeting

Curry Democrats will meet on Wednesday, September 23 at 6:30pm for their regular monthly meeting. Call 541-469-1970 for meeting location. All Democrats invited and encouraged to attend.

Letter to the Editor,

Port Orford! What do we have going for us and how can we use it to grow wisely? First, we have location. We are the midway point between Gold Beach and Bandon and could be the staging stop for bus tour companies; we are the farthest west town on the coast. We have history. We are the oldest town on the coast having been established in 1851. Then there is the Battle at Battle Rock and the Japanese submarine during WW2. We have heritage as settlers, ranchers, loggers and fishermen. Our town reflects this history in its layout, construction and its very atmosphere or ambience. Our population is made up of everything from native born to transplant retirees, bringing together tradition and a rich variety of social, educational and business backgrounds. We are a town where many step forward as volunteers to do a tremendous amount of the work that keeps our community functioning. We have some of the best climate in the world and world class hunting and fishing within a half hour drive.

We have all of this going for us and yet our local governments, past and present, have been unable to intelligently formulate the necessary plans and lead us forward so that we may more fully realize our town's true potential.

What are some of the things that are holding us back? Let's start thinking about those and exchanging some ideas.

Jim Hajek

P S: Once again, what about the \$102,000.00 that was so offhandedly spent for a computer software program?

Hospice Training

Have you ever thought about how nice it would be if you could help out a full time caregiver by allowing them time to take a walk, a nap or go run errands? Do you like listening to a person's life story? Well, if you ever wondered what

Comedy Show - Thursday, Sept. 17 @ 7 pm

it would be like, Curry County Hospice will be providing volunteer training this Fall giving you an opportunity to see what hospice volunteering is all about. The training consists of nine action-packed, informational sessions covering end-of-life care, choices, communication, grief and loss and much, much more.

The classes are also beneficial for anyone seeking to improve their understanding of the needs of those facing a terminal illness, as well as to better understand the dynamics of grief and loss. Although, potential patient care volunteers are required to take the training, persons attending are not obligated to volunteer with Curry County Home Health & Hospice.

Trainings will be held in both the North and South County. On Fridays in Brookings at SWOCC (420 Alder Street) classes will start September 25th until November 20th from 12 pm-3 pm.

In Port Orford the classes will be at the Port Orford Library on Mondays starting September 28th through November 23rd from 1:00 pm to 4:00 pm.

This training could change your life... if you would like further information regarding the trainings, please contact Pattie at 247-7084 or 1-800-535-9472

Travel Documentary

The Langlois Public Library is pleased to present Rick Steves' Personal Impressions of Iran, a one-hour travel documentary. Steves, a popular travel writer and public television host, explores past and present Iran and its people. You'll discover the splendid monuments of Iran's rich and glorious past, learn more about the 20th-century story of this perplexing nation, and experience Iranian life today in its historic capital and in a countryside village. Most important, you'll meet the people of a nation whose government has so exasperated and challenged our own.

Join us at the Langlois Library on Friday, September 18 at 7:00PM to watch the DVD and ponder questions for a post-viewing discussion. Free of charge. Sponsored by the Langlois and Port Orford Public Libraries working together to provide quality programs to our communities.

Battle Rock Planting Project

The Sunset Garden Club began their Battle Rock Planting Project last Saturday morning. Several garden club members showed up to remove weeds and the old irrigation system which is no longer working. The next step in the project is to work in compost improve the soil, apply a bark mulch, and install a new irrigation system. The Garden Club plans on putting in a few big boulders in the planted area nearest to Jefferson and Highway 101 and then plant grass and low plants that do well in the wind and salty air environment and that don't need much water in summer or maintenance. The Planting Projecting area is approximately 25 feet wide and 40 feet long and is adjacent to the Battle Rock Wayfinder Point sign. This project is entirely funded with private donations and if you would like to contribute you can sent a check to the Sunset Garden Club, PO Box 204, Port Orford, OR 97465 and put Battle Rock Planting Project in the memo so that it will go to that fund.

Meanwhile down below the park out in the ocean there were at least nine surfers enjoying the waves while the gardeners did their thing.

Rick Steves' IRAN Yesterday and Today

The Film: Friday, September 18th -7:00pm

Langlois Library, Free

Rick Steves' Personal Impressions of Iran

As seen on PBS

Join Rick as he explores the most surprising and fascinating land he's ever visited: Iran. You'll discover the splendid monuments of Iran's rich and glorious past, learn more about the 20th-century story of this perplexing nation, and experience Iranian life today in its historic capital and in a countryside village. Most important, you'll meet the people of a nation whose government has so exasperated our own.

A discussion will follow, time permitting.

Nesting Season Ends

The nesting season for the western snowy plover has ended. Dry sand closures are lifted for habitat sites at Bandon Beach State Natural Area, New River area and other beaches. The access restrictions affected 18 miles of beach in Oregon.

Even though the official nesting season is over, biologists caution plovers are still active and ask people to pay attention when they are on the beach. "There are still several plovers out and about on the beaches, raising their family. The weather has been warm lately, and the plovers may have nested later this year because of summer's later arrival," said Kerrie Palermo, Wildlife Biologist with the Bureau of Land Management. Population numbers for this summer are still being tabulated, and the results of this year's nesting season will be available later this fall.

Additional information on plover habitat and beach restrictions can be obtained from the Forest Service, (541) 902-8526, or the BLM, (541) 756-0100.

Letter to the Editor,

Had a busy weekend in and out of the news! First, a big event not much reported on by the papers or TV news channels, a 9/12 event. What's that, you say? It commemorates the day after 9/11, when America came together to stand united against tyranny and terrorism. Big happenings in our nations capital, people coming together to protest "big" government and excessive taxes, repeated around the nation in many state capitals and major cities. Where was the coverage??? Second, this got lots of press time, Congressman Joe Wilson interrupting President Obama with the words "You Lie" during a speech. What wasn't reported was that after he apologized to the President, he went on record saying "I will not be Muzzled!", meaning his First Amendment Right to Freedom of Speech. And that is what many Americans are saying these days, "We want our voices heard, and you better listen!" Folks, the best way to make ourselves heard is to vote the bums out who insist on spending us into abject poverty! Smaller government=better government!

No Cabezon

Sport boat anglers may not retain cabezon after Sunday, September 13, 2009. Fishing for other bottomfish – such as most rockfish species, lingcod and greenling – remains open.

Cabezon harvest in Oregon has been limited in recent years by the Oregon Fish and Wildlife Commission because health of the stock is uncertain. Landing data for the sport fishery indicates that the ocean boat harvest cap of 15.8 metric tons for cabezon has been met.

Sport boat anglers may continue to harvest other legal species, but may not retain cabezon in the saltwater boat sport fishery. Shore anglers, including shore-based divers, may still keep cabezon.

“Cabezon have an excellent survival rate when released,” said Lynn Mattes, assistant project leader for marine recreational groundfish fisheries for the Oregon Department of Fish and Wildlife. “Unlike rockfish, cabezon do not have swim bladders and therefore do not suffer from barotraumas (expansion or rupture of the swim bladder when the fish are brought up from deep waters) that can cause stress, injury, and sometimes death in rockfish.”

City Council Meeting

The Port Orford City Council meets on Thursday, September 17, 6:00pm, in the city council chambers.

Classic Car Culture

Port Orford’s Show and Shine event sponsored by the Port Orford Rotary Club registered more than 60 cars despite a morning downpour. “Neither rain or snow or dead of night” could deter this year’s enthusiasts at the car show held on September 6 on 11th street outside the community building. The event featured cars from as far away as Richfield, CA; Dallas, OR; and Grants Pass, OR and visitors as far away as France.

Big winners included a 1930 Model A Ford owned by Carl and Sharon James from Gold Hill, Oregon, with the Rotary President’s award. Both the Chamber of Commerce award and the Best of show belonged to the purple 1931 Ford Coupe belonging to Jim Baldwin from Gold Beach, OR.

Not to be outdone, smiling Leon Brown from Myrtle Point, Oregon won the coveted metal chicken raffle prize and the 50/50 money award plus his 1961 Chevrolet Impala bubble top was among the people’s choice awards.

Hearing on Raising Fees

A public hearing on the Oregon Parks and Recreation Department’s proposal to raise state park camping and day-use fees will take place Sept. 21 at Cham-poeg State Heritage Area.

POINT.B STUDIO PRESENTS

Find Way

“Find Way” runs through October.
There’s no hurry. Take your time.

MEMORY.ORG/AITIA/FINDWAY

Icon by Levi Thompson from “W/apologies to Wattenberg”

The hearing will run from 6-8:30 p.m. in the park’s visitor center, 8239 Cham-poeg Road NE, near St. Paul and Newberg.

The fee increase, the first considered in 13 years, would raise camping rates for most sites by \$4 per night and boost day-use fees collected at 26 parks from \$3 to \$5 per carload. Details and a link to the complete text of the proposed rule change are online at http://www.oregon.gov/OPRD/PARKS/fee_increase.shtml. OPRD is accepting written comments on the proposed change until 5 p.m., Sept. 23.

The Cham-poeg visitor center is accessible to people with disabilities. Special accommodations may be arranged up to 72 hours in advance by calling 503-986-0655.

National Public Lands Day

Saturday, October 3, is National Public Lands Day. The New River Area of Critical Environmental Concern is asking for volunteers on that day at New River. Volunteers are needed to help restore meadow habitat, pull noxious weeds, and clean up trash at New River. Volunteers will receive a free T-shirt and a "fee free day" coupon. Please wear appropriate outdoor work clothes. All tools and safety equipment will be provided. There will also be activities for kids. An RSVP is encouraged, but not required. For more information or to RSVP, contact the Bureau of Land Management Coos Bay office at 541-756-0100.

Library Friends' News

The Friends of the Port Orford Library held their first meeting after a short summer break. Among topics under discussion was the upcoming book sale on October 10 and 11. As always, we welcome donations; however, we are not able to sell encyclopedias, textbooks, Reader's Digest Condensed or Harlequin romance novels, so please don't give them to us.

Stop by The Friends' Store, located at the south end of the Library Lobby, any Monday, Wednesday or Friday between 10am and 2pm. We have Library T-shirts and book bags as well as books, gift items and cards. We'll treat you to a cup of coffee while you shop.

The Friends meet at 10:30am on the first Tuesday of every month, so join us on October 6 to find out how you can help at the book sale.

Letter to the Editor,

Reading Jim Hajek's weekly letters make one wonder what made Jim move to Port Orford in the first place.

If Jim feels that Port Orford is lacking in so many aspects why did he not find a more suitable town for his needs?

Sincerely,

Jay Morrow

Public Safety Meeting

This is a Public Notice that the Curry County Local Public Safety Coordinating Council will be meeting at 4:00PM on September 17, 2009 in the Curry County Annex, Blue Room, located at 94235 Moore Street, Gold Beach, Oregon, 97444. The purpose of the meeting is indicated in the attached agenda. Minutes from the previous meeting (7/16/09) will be available at the meeting.

"Find Way" Exhibit

If you missed the "Find Way" exhibit at Point B Studio over Labor Day Weekend we have good news: it is still on display and will be throughout the month of October! Please drop by and see the work of the amazing artists of "Find Way" and tell your friends about it. The gallery will be open on Monday through Friday from 10:00am-5:00pm,

and on Saturday from 12 noon-5:00pm. More information about the exhibit is available at <http://memory.org/AITIA/findway>

Former Officer in Court

Former Port Orford Police Officer John Fink is scheduled to appear in Curry County Circuit Court on September 21, 2009.

The case will be handled by a Coos County District Attorney sworn in by Curry County District Attorney Everett Dial as a Special Deputy in this case; Robert Manske.

Mr. Manske charged John Fink with the crimes of Official Misconduct in the First Degree and theft in the Second Degree.

Both crimes are class A misdemeanors, with maximums of one year in jail and a fine not to exceed \$6520.
